Cooking with Vida: Get ready to roll up your sleeves and have fun! In this hands-on cooking class, middle schoolers will learn the basics of preparing, cooking, and enjoying delicious food. From chopping veggies safely to mixing up tasty sauces, students will discover how to turn simple ingredients into meals they're proud to share.

French (Virtual): Bonjour! Would you like to learn how to «parler le français ?» Have fun learning the basics of French language in a dynamic and interactive environment! In this class students will be introduced to foundational French vocabulary and phrases. Students will practice conversation with their classmates and learn about French culture, arts and cuisine. Instruction will include movies, videos, games and fun activities that will immerse you in all things French. Très bien!

Intro To Filmmaking: Students will delve into the essentials of filmmaking: camera operation, audio equipment, and video editing. They will explore the art of visual storytelling and learn to capture high-quality footage. Students brainstorm, plan, and produce engaging and imaginative videos alongside their (new) friends, fostering creativity and teamwork. Class fee is \$375 and class meets at LAHS.

Outward Coonections and Inward Reflections: Students will learn how to work and play cooperatively with others, start and maintain conversations, navigate social media and phone etiquette, deliver confident presentations, advocate for themselves, ask for help when needed, and respond effectively to bullying and other challenging social situations. Alongside these practical communication skills, students will explore mindfulness techniques including meditation, grounding exercises, positive thinking strategies, and gentle yoga and stretching to reduce stress, improve focus, and build emotional well-being.

By combining outward social connection with inward reflection, this course empowers students to communicate with confidence, build healthy relationships, manage life's challenges, and develop the skills to become resilient, compassionate teens.

Volleyball: Students will learn the basic skills needed to participate in the game of volleyball. The focus will be technique when passing (bumping), setting, serving, and hitting (spiking)! These skills will be applied while participating in drills and lead-up games related to the game of volleyball.

Spanish: On campus Spanish class. Intro to Spanish for non-Spanish speakers. Grades 6-7

Tennis & Pickleball Academy: Get ready to serve up some excitement! This Tennis & Pickleball Class is the perfect way for kids to learn the fundamentals of tennis & pickleball in a playful, supportive environment. This class introduces basic skills like forehands, backhands, volleys, and footwork through engaging games and activities.
