

Frequently Asked Questions

Summer Enrichment Institute - Elementary

1. *How long are the SEI Courses?*

Elementary courses are 2 weeks long and 1 hour and 50 minutes in length. The elementary campus (K-5 at Rossmoor Elem.) operates from 8:00 am – 4:40 pm. Students can take up to four classes during these hours: 8:00-9:50, 10:10-12:00, 12:40-2:30, 2:50-4:40, additional childcare is offered from 4:45-5:30.

2. *Can I enroll my child in a Jumpstart class for their grade level each session this summer?*

We do not advise you to enroll your child in more than one Jumpstart class for their grade. The material is the same each session unless the teacher is different, but the basic curriculum will still be similar even with a different teacher.

3. *If my child attends more than one class, do I need to be present to get him/her to the next class?*

LAEF staff and volunteers help get students to their next class so there is no need for parents to come back to campus until your child's school day ends.

4. *What if my child doesn't know their way around campus and doesn't know what class they are scheduled for next?*

LAEF will give each child a name tag to wear on the first 3 days which will include their name and schedule of classes as well as if they will be riding the bus. Kinder Jumpstart students will get a name tag to wear each day of camp. A LAEF staff member or volunteer will check the child's name tag and will be able to help direct them or will walk them to class.

5. *What does my child do with the time-period between classes?*

Bells will ring to indicate the start and end of each class. LAEF staff and volunteers supervise the students during the "recess" periods between

classes as they play and eat a snack. Please send a snack with your child for recess time.

6. *My child attends Camp Fun in the Sun (Kids Korner) or Summer Academy. How will my child get to/from SEI?*

LAEF does not provide bus transportation.

7. *Does LAEF provide snacks or lunch for students that attend SEI?*

LAEF will no longer sell snacks during recess times. LAEF also does not provide lunch for students. Please send your child snacks for recess times as well as a sack lunch to keep in his/her backpack. LAEF Staff and volunteers will be on hand to help students during recess and lunch.

8. *How do I receive the multi-class discount?*

The multi-class discount is automatically applied when your family registers for more than one class. Once you enroll a child in one class, a discount of 20% will be applied to the second class you choose, and then a 40% discount will apply to each class thereafter that you enroll your child/children in. If you attend all day for both sessions, it's only \$5 per hour.

9. *My child is on the waitlist for a class, how will I know if my child gets in?*

If a spot in a full class opens, we use the waitlist to call families on the list. We begin with the student that is first on the list and go down from there until we reach a student that still wants to be enrolled.

10. *Can my child stay for recess or lunch?*

The morning recess (9:50-10:10) is for students enrolled in an 8:00 and a 10:10 class. Lunch recess (12:00-12:40) is for students enrolled in a 10:10am and a 12:40pm class. The afternoon recess (2:30-2:50) is for students enrolled in a 12:40 and a 2:50 pm class. Only children enrolled in a subsequent class will be released to recess by their teacher.

11. *What is the procedure for picking up my child?*

When your child is done attending classes for the day, you will pick them up at their classroom. Please be punctual; late fees may apply. Our teachers will be with your child until they are picked up by a parent or guardian.

12. *Can my child arrive early for class?*

If your child wants to arrive early to play at recess, you must stay to supervise your child. Due to safety reasons, we are only aware of those students already on campus being released from a previous class.

13. *What is the minimum age requirement to attend summer LAEF classes?*

Children must be 5 years old by Sept. 1, 2026, to attend LAEF's Summer Enrichment Institute.
